HOLIDAY SEASON CRIME PREVENTION TIPS

1. **DELIVERIES:** To deter thefts have your packages delivered to a designated delivery location or your place of work rather than your front door or mail box.
2. **DO NOT LEAVE PACKAGES IN YOUR CAR:**
At home or while out shopping, never leave packages or personal items in your car.
3. **DO NOT LEAVE YOUR PROPERTY UNATTENDED:**
 - *Don't place your purse in the shopping cart.
 - *Don't leave your cell phone on the table while dining.
 - *Don't leave your wallet out on a counter when paying for items.
4. **PROTECT YOUR HOME:** To decrease the chances of your home being burglarized, keep all of your doors and windows locked. Install exterior lighting with motion-sensors and an audible alarm system.
5. **If you See Something, Say Something! Call 9-1-1 to report criminal activity.**
